# ADMINISTRATIVE TERMINATION CLOSURE MEMORANDUM

**Log # 1086941**

Recommendation for Closure	Summary of Relevant Investigative Activity and Comments
<p>Case disposition for a truncated investigation. Criteria set forth below must be met in order to close as Administrative Termination.</p>	<ul style="list-style-type: none"> <li>• Case discussed/reviewed with a Deputy Chief in regard to the allegation set forth. At this time, this case should be closed via Administrative Termination with No Findings. The case does not involve serious injury, death, or include obvious or readily identifiable evidence to exonerate or sustain findings against Officer Catanzara. Furthermore, although COPA obtained an affidavit in support of the complaint, the complainant does not elaborate as to why she believes the officers statement "I have a hunch we might cross paths one day," is a threat. After review of the conversation as a whole and the context of the statement, there is no reason to believe or infer that Officer Catanzara was threatening the complainant.</li> </ul>
<p>The case does not involve:</p> <ul style="list-style-type: none"> <li>• Firearm discharge;</li> <li>• Physical violence or threats of physical violence or involve parties that historically been alleged to have committed physical violence or who have threatened physical violence;</li> <li>• Use of force resulting in serious bodily harm or injury;</li> <li>• Verbal abuse rising to the level of racial bias</li> <li>• Any incident in which video or audio evidence exists that depicts and corroborates the allegation(s).</li> </ul>	<input checked="" type="checkbox"/>
<p>All other closing dispositions have been considered and there exists a lack of evidence to reach an Exonerated or Sustained finding.</p>	<input checked="" type="checkbox"/>
<p>The accused officer's history has been considered (i.e. pattern or practice of past complaints of a similar nature).</p>	<input checked="" type="checkbox"/>
<p>Officer's credibility has been assessed against that of the subject's, witnesses', and other involved parties'.</p>	<input checked="" type="checkbox"/>
